WALLACK'S.

BRILLIANT SUCCESS

In the celebrated and highly popular

MORAL DRAMA

from Charles Dickens' beautiful home story of

Mr. J. W. WALLACK'S marvellously great performance
of the JEW FAGIN, and Mr. E. L. DAVENFORT'S thrillingly natural representation of BILL SYRES,
pronounced the

PERFECTION OF ARTISTIC EXCELLENCE.
WHY THE DRAMA OF OLIVER TWIST IS A GREAT

Mr. Charles Dickens, to his preface to the second edition of
his famous novel of "Oliver Twist," says:—

I have yet to learn that a lesson of the purest good may not
be a recognized and established truth, laid down by the greatest men the world has ever seen, constantly acted upon by
the best and wisest natures, and confirmed by the reason and
experience of every thinking mind. I saw no reason when I
wrote this book, why the very dregs of life, so long as their
speech did not offend the ear, should not serve the purpose,
as well as its froth and cream. Nor did I doubt that there
lay festering in St. Oiles as good materials towards the truth
sa any flaunting in St. James. — What inanner of life is that which is described in these pages as the
every day existence of a thief? What charms has it for the
young and ill disposed? — The cold, wet, shelterless
midnight streets of Loudon; — the hunts of
hunger and disease, the shabby rags that scarcely hang together-where are the allurements of these things? Have
they no lesson, and do they not whisper something beyond
the little regarded warning of a normal processor.
